

# LUHR COUNTY PARK

Originally 74 acres this park was established in 1987 which was donated by Bud Luhr. In 2014, the La Porte County Parks Foundation acquired an additional 15 acres, bringing the park to 89 total acres. It contains several ecosystems including upland forest, prairie, wetland and a pond. Fishing is catch and release only for bluegill, bass and catfish. Luhr also offers picnicking, shelter rental, a bark park, several playgrounds, outdoor exercise equipment and paved hiking/biking trails. The nature center has various nature related interpretive displays and an indoor bird viewing room. Check our website for various types of programming.

## NO-LEASH Dog Exercise Area
